

Azamara Quest

Like her sister ship, the sturdy Azamara Quest is a mid-sized beauty with a deck plan well-suited to the needs of modern voyagers. You'll never feel crowded in the comfortable social spaces of our bars, restaurants, lounges, Casino and Cabaret. Nor will you feel like a sardine jammed in around the pool, where our attentive staff is always ready to offer a complimentary bottled water, soft drink or fresh towel. Staterooms feature modern amenities, furnishings, and European linens. And one of the greatest features of this ship is the large number of staterooms with verandas.

Cruise ship is 181 m long, BRT is 30277, sails under the flag of Malta, onboard are 693 passengers and 397 crew members.
