

31.03.2012.

Today's arrival of the ship "Costa Voyager" means the beginning of a new season of cruising in the port of Kotor, and the first in a series of arrivals of ships operated by Costa Crociere. Costa Voyager ship length 160 meters and it has sailed in Kotor with 570 passengers and 350 crew members.

The second you step on board you'll feel right at home. Costa Voyager is the ship of welcoming: modern, people-oriented, and inspiring familiarity. It's easy to find your way around on board and find the common areas to share the thrill of every excursion, with longer and more pleasant port stays thanks to the exceptional cruising speed. Sipping an intimate cocktail in one of the elegant jacuzzis overlooking the stern will become a high point of every day.

What sight will you find the most inspiring? The white trail of the ship standing out above the deep, while the horizon glows pink... or the shows that light up the Theatre each night? On board you can also find :416 cabins, 2 Restaurants, 4 Coffee & Bar, Solarium, Swimming Pools, 2 Jacuzzis, Gym, SPA Center (Hidrotherapy and massages), Disco, Theater, Casino, Shopping Center, Squok Club, Library, Internet Point.
