Through the agency «Kotor Mar» from Kotor today in our port sailed the ship «Marina» of the company Oceania Cruises. Marina sailed from port of Dubrovnik and after Kotor goes to Corfu. Technical characteristics of the vessel are: sails under the flag of Marshall Islands, length is 240 m, GRT is 66084, NRT 28485. On board are 1177 passengers.

The brand new Marina is the most beautiful, elegant and sophisticated ship to debut in the past 50 years. Designer touches are everywhere. More than anything, Marina personify the Oceania Cruises experience.

Comfortably mid-size, Marina retain the same warmth and charm of their acclaimed consorts Regatta, Insignia and Nautica. As the first ships designed for lovers of fine dining and travel experiences, Marina offer guests a total of 10 dining venues. La Reserve by Wine Spectator offers enlightening wine and food pairings. The new Bon Appétit Culinary Center is the only hands-on cooking school at sea. For specialty coffees and snacks, there is Baristas Coffee Bar. Intimate lounges abound. Accommodations in every category are incredibly spacious, especially with regard to the lavish bathrooms. Yet remarkably, with so many additions, the onboard ambiance and experience remains comfortably familiar.
